## **Diatonic Chords**

## PRACTICE

Find a practice schedule that works for you. Choose a time every day or at least three times a week that you can block off for practice. Let your family know :) Everyone moves at a different pace so take your time and allow your hands to learn these new skills. **Repetition over time** is your secret weapon. Do the movements while watching a movie...create muscle memory!

## CHOPS “SKILL”

Throughout the curriculum you will see different buttons displayed. These will indicate which skill or skills are being developed during the following lessons. Below is a brief description of each ear development skill. For more information about these you can request our “How to Play Piano by Ear” booklet by emailing: [mail@pianochops.com](mailto:mail@pianochops.com)
